Date: April 1, 2017

E-Z PARK SMART CARD

The E-Z PARK SMART CARD is specifically designed for use at all parking meters in Lower Merion Township. It is a convenient way to pay for metered parking. With the Smart Card, you will enjoy the convenience of using the card to pay meter fees rather than needing coins. You will also be able to retrieve any unused time on the meter, and put the funds back onto your card. The card is rechargeable and there is no expiration date which to use the Smart Card.

E-Z Park Smart Cards can be purchased at the Parking Services Department, 71 E Lancaster Avenue, Ardmore, PA 19003. The office is open Monday - Friday, except holidays, from 8:15am to 4:30pm.

PARKING TICKET PAYMENTS NOW AVAILABLE ONLINE

Parking tickets can now be paid by credit card. Go to **lowermerion.org** and click on the "Parking Services Department" tab within the "Departments & Services menu bar. Upon entering the department site, click on "**Pay Parking Tickets online**", then follow the instructions.

METERED PARKING

Short-term parking duration is generally 2 hours only. These meters heads are charcoal in color. However, there are two meters on Cricket Avenue that are 15-minutes maximum duration, for the convenience of parkers only needing a short time for pickups or drops offs. Longer term parking up to 12 hours in duration is available at the red-colored meters. The duration to park at a metered space in lots or at curb meters is limited to the maximum time on the meter.

All meters (except the two Cricket Ave. 15-minutes meters) are equipped with a button to activate 10 minutes of free parking time above and beyond the time paid for, upon activating the meter. This will only activate on meters that were previously expired, and additional time cannot exceed the maximum time allowed on the meter.

Metered parking is enforced Monday - Saturday from 8am - 6pm. Metered parking in either lots or along curbs is free to anyone on evenings after 6pm and anytime on Sunday.

SHORT TERM MUNICIPAL LOT PARKING PERMITS

Anyone is eligible to purchase a Municipal Lot permit. Permits can be purchased on a daily, weekly, or monthly basis, and are sold based upon space availability. Each permit will cost \$2 daily, \$10 weekly, or \$40 monthly.

Each permit holder may register up to two vehicles on a permit. The permit shall be displayed on only one vehicle in a permit lot at a time. Sharing a permit between two or more licensed drivers of two or more differently registered vehicles is allowed under certain scenarios (e.g. part-time employees).

In "Permit Only" lots, the permits will be enforced Monday through Friday, from 8am to 6pm. In mixed usage lots (those with permit spaces and meters), the permits will be enforced Monday through Saturday, from 8am to 6pm.

All Municipal Lot parking permits are purchased through the Lower Merion Township Parking Services Dept. at 71 E. Lancaster Ave., but are also available by mail. If questions, call (610) 645-6230.
