

Sustainable Energy Workshop

The Lower Merion Township Environmental Advisory Council (EAC) and the Lower Merion Conservancy (LMC) invite all residents of Lower Merion Township to a Sustainable Energy Workshop to learn more about climate change, its practical implications for our Township and potential steps towards a sustainable future.

Join members of the EAC & LMC for:

- Panel discussions with experts from academia, industry and government
- Q&A session with elected Commissioners, panelists and EAC members

DATE: Tuesday, September 25, 2018

WHEN: 6 p.m. to 9 p.m.

WHERE: Lower Merion Township Building, 2nd Floor Board Room, 75 E. Lancaster Avenue, Ardmore

Light refreshments will be served!
