

**Join Us for the 10th Annual 9/11 Memorial Ceremony
Sunday, September 11th 2011
7pm at the Bryn Mawr Fire Company**

For nine years firefighters, families and community members have come together to remember those who lost their lives on September 11th, 2001. As a community we gather to pay tribute to everyone lost that day. 2819 people lost their lives in the cowardly attacks of 9/11. We remember the 343 members of the FDNY, the 60 police officers of the NYPD and Port Authority Police, as well as all the innocent victims who had shown up for work or boarded a plane. The ceremony is composed of a medley of music, speeches, videos and time for reflection.

Please join us at 7pm on Sunday, September 11th 2011 at the Bryn Mawr Fire Company located at 901 W. Lancaster Ave, Bryn Mawr, PA. We look forward to seeing everyone there so we can stand together as a community and honor those whose lives were taken so prematurely that day.
