

Interested in a possible network of trails near the Schuylkill River?

You're invited to attend a Public Workshop to be a part of the ongoing feasibility study process!

Thursday, May 1st, 7 - 9 p.m.

Lower Merion Township Administration Building,
2nd Floor Board Room

75 E. Lancaster Avenue, Ardmore

Monday, May 19th, 7 - 9 p.m.

Upper Merion Township Building
175 W. Valley Forge Road, King of Prussia

The Townships of Lower Merion and Upper Merion, along with the Boroughs of West Conshohocken and Bridgeport are studying the feasibility of a possible 15.5 mile network of trails and greenway near the Schuylkill River. Extensive public involvement is a major component of the study process.

Join the consulting team of Campbell Thomas & Co. who will discuss the study with interested residents and continue to gather information and input.

For more information, contact Lower Merion Parks and Recreation at (610) 645-6220
