1. THE WORKERS’ COMPENSATION LAW, known as the Pennsylvania Workers’ Compensation Act, provides wage loss and medical benefits to employees who cannot work, or who need medical care because of a work-related injury.

2. Benefits are required to be paid by your Employer when self-insured, or through insurance provided by your Employer. Your Employer is required to post the name of the company responsible for paying workers’ compensation benefits at its primary place of business and at its sites of employment in a prominent and easily accessible place, including, without limitation, areas used for the treatment of injured employees, or for the administrator of first aid. The information is posted on Bulletin Boards in all Township Divisions and Departments and is also made part of Township Policy No’s 5.6, 5.7, 5.8 – Workers’ Compensation

3. **We are members of the DELAWARE VALLEY WORKERS’ COMPENSATION TRUST for workers’ compensation benefits.**

4. You should immediately report any injury or work-related illness to your Employer.

5. Your benefits could be delayed or denied if you do not notify your Employer immediately.

6. If your claim is denied by your Employer, you have the right to request a hearing before a Workers’ Compensation Judge.

7. The Bureau of Workers’ Compensation cannot provide legal advice. However, you may contact the Bureau of Workers’ Compensation for additional general information at:
