From the Manager’s Desk

On behalf of the Township Board of Commissioners and our Township staff, I’d like to wish all of you a very happy and healthy 2020, and hope that you and your family enjoyed the holidays.

In December, the Board adopted the 2020 Annual Budget. For the ninth year in a row now, we are pleased to say that there will again be no increase in the Township’s real estate tax, and no change to our services to you. Also once again, we must state a disclaimer—this is not a streak that can continue indefinitely. But we’ll also repeat one more set of facts—this trend is a result of Lower Merion’s terrific business climate, very involved residents, its rock-solid housing stock, and dependable financial leadership.

THE 2020 CENSUS

In 2020, the Federal government will conduct its decennial count of the population, which it has done every 10 years since 1790. And for the first time, the U.S. Census Bureau will accept responses online and by phone (though you can still respond by mail).

It is vitally important that each Lower Merion resident is accounted for in the Census. “Unlike 10 years ago, we now live in a world in which more local governments are using data to guide their decisions,” according to a recent article in the trade journal Government Technology. “Some of the actual data in that equation is often derived from the Census, increasing the stakes for communities this time around.”

It’s not just Federal dollars and proper political representation that is at stake, though those two factors remain as important as ever. These days, Census-driven data influences private-sector decisions like never before. Businesses use data from the Census to find out where to locate operations, the article says. Many national companies, whether retail or professional, never locate a new operation without looking at Census data.

The reference day for the 2020 Census is April 1st, by tradition. Over the next few months, look for information on the LowerMerion.org home page, our social media networks (Facebook and Twitter), posters around town, and on LMTV to learn more about local efforts to increase awareness of the Census and its importance, and ways that you can help to spread the word and get every Township resident counted. Go to 2020census.gov for much, much more information on this extremely important topic for our local economy. And please click on that center button labelled “Get Involved.”

NEW & RETIRING BOARD MEMBERS

I’d also like to take this opportunity to welcome and congratulate our three newly elected Board Commissioners, due to be sworn in on January 6th at the 61st Biennial Reorganization Meeting: Sean Whalen (Ward 7); David McComb (Ward 9); and Gilda Kramer (Ward 13). Likewise, we’d like to give a heartfelt thank you to the Commissioners from those wards who have stepped down after many years of faithful service to our Township: Liz Rogan, George Manos, and Brian McGuire. The three have spent countless hours during many long evening meetings helping to ensure that we live in a healthy, attractive and prosperous community.

Here’s to a mild winter, and to seeing you around the Township soon.

Sincerely,

Ernie McNeely

Meet Your New Commissioners

On November 5, 2019, three new members of the Lower Merion Board of Commissioners were elected. They will take their seats at the 61st Biennial Reorganization of the Board on January 6th. They are:

Sean P. Whalen (Ward 7): Mr. Whalen attended law school and graduated from The University of Michigan Law School in 2005. He is an attorney at Vintage Law, LLC, in Ardmore, helping people with land use and zoning issues. He also assists clients with real estate, business, and commercial matters before the Pennsylvania and New Jersey federal and state courts and various governmental agencies, including Departments of Licenses & Inspections, historical commissions, zoning boards, civic associations and other city and township departments and boards. Mr. Whalen was selected to “Rising Stars” for the years 2013 through 2019—an exclusive list of top-rated attorneys in specific practice areas who were chosen after a thorough evaluation of numerous criteria.

Gilda L. Kramer, Esq. (Ward 13): Ms. Kramer is an experienced attorney with her firm, Gilda L. Kramer & Associates, LLC. Her practice includes commercial, employment, personal injury and real estate litigation. Gilda is a graduate of Swarthmore College and the University of Virginia School of Law. Before opening her own law firm, Gilda served as a Deputy City Solicitor in the City of Philadelphia Law Department and practiced in two major law firms. She has held leadership roles in professional organizations, including the Philadelphia Bar Association, and has served on the boards of non-profit organizations. Gilda and her husband, Sam Adenbaum, have lived in Ward 13 for 25 years and are long-time members of the Neighborhood Club of Bala Cynwyd and supporters of the Friends of the Cynwyd Heritage Trail. Their sons, Jacob and Ben, attended Lower Merion public schools and now are pursuing PhDs in economics and mathematics, respectively.

David McComb, Esq. (Ward 9): Mr. McComb is a former Assistant United States Attorney and has over 30 years of experience specializing in employment and commercial litigation matters. He is a partner in the Philadelphia law firm, Zarwin Baum DeVito Kaplan Schaefer & Todd, P.C. A 1978 graduate of Vanderbilt University, Mr. McComb graduated from the University of Pittsburgh School of Law in 1981. Mr. McComb and his wife, Francie, have long been involved in Lower Merion civic affairs and youth swimming. In addition, Mr. McComb has served for seven years on the Township’s Shade Tree Commission. He and Francie are the parents of three children—Maddie, Sam and Jack—all of whom are proud graduates of Lower Merion High School.

Lower Merion Township Newsletter
Winter 2020

The Lower Merion Township Newsletter is published for the residents of the Township of Lower Merion and is designed to keep residents informed about Township activities, policies and services.

A Note from the Lower Merion Fire Department

The cold, short days of Winter are upon us and the members of the Lower Merion Fire Department hope that you have had a warm and pleasant holiday season with family and friends.

A great deal has been keeping the Lower Merion Fire Department Office busy over the past few months, including the launch of our new Lower Merion Fire Department Facebook page! The intent of this page is to promote the wonderful services provided by the Fire Department Office and by all of the Fire Companies serving the Township, as well as informing residents of upcoming events. Please look for and ‘like’ our page!

Spearheading our new social media initiative is the Lower Merion Fire Department’s newest member, Deputy Fire Marshal John R. Waters, II. John joins the department with over 19 years of experience as a volunteer firefighter. He is proficient in fire protection project management and within the haz-mat specialty. We are happy to have John aboard!

John will also be organizing a Youth Firefighter Camp for children between the ages of 6 and 14, to be offered this summer through Lower Merion Township’s Parks and Recreation Department. Have a youngster with an interest in firefighting? This program will provide a peek into the roles and responsibilities of an LMFD firefighter and will offer insights into the world of fire safety and prevention. Please visit www.lowermerionrec.com to register.

Here are a few things to remember to keep you safe while staying warm through the remainder of the cold winter months:

• If you are using an auxiliary (portable) heater in your home, be sure that it is sufficient distance from any combustible materials that could ignite. Additionally, portable heaters should be plugged directly into an outlet. Extension cords should NEVER be used with heaters!

• If you will be using a wood stove or fireplace, the wood should be properly seasoned (cut and split for a minimum of six months prior to use). Chimneys should be cleaned regularly.

• Lower Merion Township Code requires that all hydrants be kept clear of snow and accessible for emergency responders.

For additional fire safety information or to schedule a home safety inspection, please contact the Fire Department Office, at 610-645-6190.

More than 500 Turn Out for ‘Crawdads’

This year’s “One Book One Lower Merion” author event was an unqualified success. Held on Sunday afternoon, November 10th, demand was so great to hear Delia Owens - author of this year’s One Book selection, “Where the Crawdads Sing” - that the venue had to be changed from its normal spot in the Township building to a hall within Temple Beth Hillel-Beth El in Wynnewood. It was also the first year that tickets were required. Ms. Owens gave much more than a standard “reading” from her multi-millions selling novel. She spoke to where the story came from in her long career as a naturalist, from her childhood, and how the characters reflect the times we live in. She also confirmed that the book will be made into a film, to be produced by fellow Southerner Reese Witherspoon. Afterward, she signed copies of her book. Congratulations to the One Book One Lower Merion team, chaired by Lenore Forsted, on an outstanding lineup of events this past Fall centered on a truly special novel.

Volunteer Opportunity!

Help the Township Mark Storm Drains!

Do you have a school group or scout troop that is interested in volunteering to protect water quality in Lower Merion Township? If so, please consider volunteering to help mark storm drains in the Township! With over 4,000 inlets, our goal is to install these markers on every inlet.

Have you ever wondered what these inlets are for and where they go? The inlets take rainwater that falls onto roads, parking lots, driveways, lawns and other surfaces and deposit it directly into our streams. As the rainwater flows across these surfaces it picks up pollutants and deposits them directly into the water. Examples of pollutants include oil that drips from vehicles, chemicals from lawns and salt from roads. The markers educate people to not deposit anything into the inlet such as trash, dog waste or chemicals.

If you are interested in volunteering for a spring project, please contact Andrea Campisi of our Building and Planning Department at acampisi@lowermerion.org.
Township Business Tax Info, 2020 Deadlines

All businesses operating in the Township must apply for and maintain a current Township business license/registration. The annual fee for this is $20. In addition, businesses are subject to business privilege and mercantile taxes on any gross receipts allocable or attributable to the Township. Annual Township tax returns need to be filed and are due the same day as your federal tax return. Rental properties are considered a taxable business activity under the Township’s ordinance.

Businesses with employees, partners, S corporation shareholders and self-employed individuals are also required to file Local Services Tax (LST) returns with the Township. The LST is a $52 per person/per year tax imposed on anyone working or generating net profits within the Township. Employers are responsible for withholding the tax from employees and remitting it to the Township quarterly. Self-employed individuals and business owners must pay their own LST in the first quarter.

If you need to register your business with the Township or find tax forms and more information about Township business taxes, please visit the Township website www.lowermerion.org. From the home page select the “I want to” tab and then “Business/Mercantile Tax Forms” to be taken to the correct page.

**A Note on Trash Fees & Can Sizes**

Trash collection in Lower Merion is designed to incentivize customers to produce less trash. Annual trash fees are set by subscribing to a number of cans that correspond to the amount of solid waste produced at the home. Fees increase with additional cans, as more trash is produced. Since this structure is relatively unique in this area, the following is a reminder of the container size requirements.

Please see the images below to determine your can size and corresponding subscription. This is only a sample of the most prevalent cans. If your container is not shown, it is acceptable as long as it is durable, watertight and made of galvanized metal or plastic. Most containers indicate gallonage on the lid, side, or bottom of the can. Images are not to scale.

Oversized containers that do not comply with the limit of 48 gallons may be automatically upgraded and billed for additional container(s) upon the first violation. Mini-can subscriptions found to have a container exceeding the 20 gallon capacity limit may also be upgraded and billed on the first violation.

Please note, can capacity determines the fee, regardless of whether the can is full.

---

**Public Garage at One Ardmore on Cricket Open with 4-hour Meters**

The public parking garage at the One Ardmore building on Cricket Avenue in Ardmore—open since last Spring—features 4-hour time limits at kiosks and for those who use the Parkmobile app.

The entry into the new garage is located on Haws Terrace, accessed from Cricket Avenue directly across from Cricket Terrace (and behind existing Lancaster Avenue retail stores).

Enforcement / paid hours are Monday through Saturday, 8 a.m. to 6 p.m., and free on Sundays. Payment is via six kiosks (two on each floor of the garage), located near the elevator entrances and the rear stairwells. The kiosk technology is “pay-by-plate,” meaning those who park there will enter their license plate number into the kiosk.

Payment methods at the kiosk are by credit card (minimum charge $1.25), coins (nickel, dimes, quarters, dollar coins), $1 bills, and Parkmobile smartphone payments (40 cents per transaction). The kiosk will print out a receipt, but it is not necessary to place the receipt on the dashboard.

Kiosks do not provide change. There are three zones in the garage—one for each level—for Parkmobile payments (made through smartphones and not the kiosks). The parking rate is 50 cents per hour. The EZ Park Smart Card is not accepted at these kiosks.

---

**2020 CENSUS JOBS**

Earn extra income while helping your community - go to 2020census/jobs.

The U.S. Census Bureau is recruiting to fill hundreds of thousands of positions across the country to assist with the 2020 Census count.

**Why Apply?**

**Earn Extra Money**

Could you use a little extra income? Jobs for the 2020 Census offer competitive wages that are paid weekly. Authorized expenses, such as mileage, are reimbursed for employees doing fieldwork.

**Support Your Community**

Decennial census data are used to determine your representation in Congress, as well as how funds are spent for roads, schools, hospitals, and more. Help ensure that everyone in your community is counted in the next decennial census.

**Fit Your Schedule**

Temporary positions for the 2020 Census feature flexible hours—a perfect fit if you are looking to earn a little extra money, even if you already have other commitments.

**Be a Part of History**

Every 10 years since 1790, the United States has undertaken the momentous task of counting all of its residents. This is your chance to play a role.

---

**Star Lights, Star Bright**

New holiday lighting in the form of street snowflakes was installed in the Bryn Mawr and Haverford sections of the Township in early November. The Bryn Mawr Business Association purchased 92 new sets of LED lighting this year for the Bryn Mawr commercial area. The new lighting is not only brighter but uses much less electricity and is more energy efficient. The Haverford Civic Association pays for the installation and maintenance for their portion of Lancaster Avenue.
News From Our Libraries

Summer Learning

Join Lower Merion Libraries for Summer Learning 2020. Participants will be encouraged to Imagine Their Story through reading, fun activities and learning opportunities. Look for more information later this Spring. This program is supported by Educational Improvement Tax Credit grants from Universal Health Services (UHS) and First Resource Bank.

Strong libraries help communities thrive – Your business can help

Public libraries are a great American institution. They provide a form of civic engagement and social infrastructure that make our communities stronger. In addition, our six Lower Merion Libraries offer area businesses, entrepreneurs, and job-seekers a wealth of business-related resources at no cost to them, including databases, digital magazines and newspapers, and reference services, to mention a few.

Corporate philanthropy has been an important source of support in the growth of libraries in the United States. We are fortunate that Pennsylvania encourages corporate investment in non-profits like our libraries through the Educational Improvement Tax Credit (EITC) program which provides businesses with a direct state tax credit, not simply a deduction, for supporting Educational Improvement Organizations.

Last year, the Lower Merion Library Foundation was approved as an Educational Improvement Organization. Thanks to generous donations from Universal Health Services, Inc. and First Resource Bank through the EITC program, we were able to fund our two approved programs—Summer Learning and Coding Classes for Teens. With this additional investment, our 2019 Summer Learning programs showed remarkable gains. Coding Classes are being offered this winter. We are pleased and grateful to announce that both Universal Health Services, Inc. and First Resource Bank have renewed their generous support for the children and youth of our community by once again making EITC donations to the Lower Merion Library Foundation to run these programs in 2020.

The EITC offers businesses in the Commonwealth a means to give back to non-profit organizations. Up to 75% of a one-year donation can qualify as a tax credit; for a two-year commitment, the tax credit is up to 90%. Tax credits may be applied against the tax liability of a business for the tax year in which the contribution was made. The application timing is important since the online applications are processed on a first-come, first-served basis. Business Application Timeline:

- May 15 – Business applicants who have fulfilled their 2-year commitment and wish to reapply in FY 19/20 to renew their 2-year commitment.
- May 15 – Businesses who are in the middle of their 2-year commitment.
- July 1 – All other businesses including initial applicants and those applicants wishing to submit an additional application on top of their previously submitted 2-year commitment.

Visit https://dced.pa.gov/programs/educational-improvement-tax-credit-program-eitc/ for more information on the EITC. In addition, there are many ways businesses can work with us to strengthen our non-profit local libraries. There are multiple opportunities for corporate sponsorship for fundraising events and underwriting community programs such as guest speakers and concerts. To discuss how you can partner with the Foundation to support our libraries, please contact David Belanger, Director of Libraries at (610) 645-6110.

DIY Repairs on Cars and Small Engines

Lower Merion Library System is happy to announce that Auto Repair Source™ and Small Engine Repair Reference Center™ are now included in the POWER Library. From the comfort of home, library patrons can click the link to these free online resources by visiting the LMLS web page https://www.lmls.org/e-library/online-resources/. (Find them in alphabetical order.) They’re free for patrons with a Montgomery County library card.

Auto Repair Source, a PA state resource by EBSCO from the experts at MOTOR, gets its content from the Original Equipment Manufacturers (OEM). Patrons will find the most accurate and recent service and repair information for thousands of US and imported vehicles. It can help users diagnose, repair and maintain their vehicles. Don’t wonder if you are getting a good deal from your mechanic. Use this e-resource to validate the cost of repairs and identify all iterations of a part number or status. Diagrams, schedules, estimated labor times, trouble codes and specifications can help today’s car owner be a smart consumer.

Small Engine Repair Reference Center is another free e-resource for library patrons. It can help you do engine repair yourself. Use it for both routine maintenance and complex projects. An intelligent search interface helps users search by product type, brand, model and more. All types of small engine repair guides cover dozens of engine types including motorcycles, lawn mowers, chain saws and more. Want to do it yourself? For a simple tune-up or complex transmission disassembly, find help with your library card and these free tools.

Ardmore Library Poetry Contest

The Ardmore Free Library is proud to announce the Fifteenth Annual Charlotte Miller Simon Poetry Contest!

The contest is held in memory of Charlotte Miller Simon, a poetry lover and longtime patron of the Ardmore Library, and is made possible by a generous endowment from Jonathan and Christina Miller.

Entries are accepted in three divisions; the children’s division (6-12 years old), the teen division (13-17 years old), and the adult division. Cash prizes are awarded in all divisions and winners will be celebrated at an award ceremony on March 15, 2020. Winning poets will read aloud their poems at this celebration, and their poems will appear in a printed pamphlet. A plaque at the library also recognizes each year’s winners.

The deadline for submission of poems is Friday, January 24, 2020. Additional information and the registration forms can be downloaded at www.lmls.org.

The Sylvia Glickman Memorial Concert

“David’s Harp”

This Philadelphia-based ensemble will present an exciting concert of Sephardic music from Turkey, Greece, and North Africa. With a program of rollicking Ladino folk tunes and soulful ballads on themes of Jewish ritual, love, and domestic life, the performers will demonstrate the fluidity and blending of diverse musical ideas between Jewish and non-Jewish worlds.

Concert takes place at Levering Mill Tribute House - 382 Bala Avenue (Formerly The Women’s Club of Bala Cynwyd)

Free Admission - Concert @ 2pm
Company: Lower Merion is Pennsylvania’s 5th Safest Location

Lower Merion Township is ranked as 5th in the 2019 Pennsylvania “Safest Cities” report by the website BackgroundChecks.org.

The company gives each of Pennsylvania’s municipalities with a population over 10,000 a score on its Safety Index, which factors in FBI crime data as well as law enforcement employee numbers, it said in a press release. Seven Pennsylvania locales earned a score of 0.6 or higher on the Safety Index, including Lower Merion (0.63), placing it among the safest places in the country.

The Commonwealth’s safest town, according to the report, is Munhall, a borough in Allegheny County. Nearby Willistown and Whitemarsh townships placed second and third, respectively, with Whitehall coming in fourth.

The report singled out Lower Merion, Cecil, and Horsham townships as communities that “truly distinguished themselves as extremely safe places to live, with each recording violent crime rates a small fraction of the nationwide average.”

BackgroundChecks.org explained that after filtering out municipalities with populations less than 10,000, it examined a total of 2,929 Pennsylvania towns and townships.

More ‘Bigbelly’ Trash, Recycling Containers Installed in Ardmore

In October, crews from Lower Merion’s Public Works Department installed nine sets of new, environmentally friendly “Bigbelly” side-by-side trash and recycling containers in downtown Ardmore.

The enclosed smart containers compact trash automatically, are solar-powered, and are equipped with sensors that electronically notify Public Works when it is time for them to be emptied—saving money long-term on labor and fuel costs.

Ardmore is the second Lower Merion location for the new Bigbellys—others were installed in Bryn Mawr earlier in 2019. Plans to install more in additional Township shopping and restaurant districts are planned for 2020.

The Bigbelly containers streamline operations for trash and recycling crews, and cut down on trash that would occasionally spill out of the traditional public street cans. They are positioned in the places in the public right-of-way where they are needed most, keeping the community clean.

  Friday, December 25, 2020

### Cleanup Weekends

Koegel Public Works Complex

- **Saturday, April 18** & **Sunday, April 19, 2020**
  9 a.m.—4 p.m.
- **Saturday, May 2** & **Sunday, May 3, 2020**
  9 a.m.—4 p.m.
- **Saturday, October 17** & **Sunday, October 18, 2020**
  9 a.m.—4 p.m.

Please do not bring Household Hazardous Waste (HHW) to the Cleanup Weekend, including TVs.

***

A Montgomery County HHW collection in Lower Merion will be held **October 25, 2020**, 9 a.m.—3 p.m.

(NO ELECTRONICS will be accepted.)

Check [www.LowerMerion.org](http://www.LowerMerion.org) or [www.facebook.com/LowerMerionTownship](http://www.facebook.com/LowerMerionTownship) for updates and additional special collections.
Lower Merion Township offers a variety of programs, for both children and adults, year-round. Basketball and Tennis Clinics, Viva Community Fitness Pilates, Steel Soccer Clinics and Classes, Soccer Shots and HappyFeet Programs, Shining Knights Chess Club, Young Rembrandts Art Classes, Engineering for Kids Classes, Mad Science Workshops, Young Sports Classes, Bricks 4 Kidz Classes, Kitchen Wizards Cooking Classes and much, much more.

Please visit our website www.lowermerionrec.com for a current schedule of programs and classes.

If you do not have on-line access, no need to worry. You can still mail or walk-in to register for programs and pool memberships.

REGISTRATION INFORMATION

You will be considered registered for a program only after the proper forms and fees are received. Payment is due at the time of registration. Checks should be made payable to “Treasurer, Lower Merion Township”. Registrations without accompanying fees will NOT be processed. Non-residents (including Narberth Borough) will have a higher registration fee.

Nothing stops a program in its tracks faster than everyone waiting until the last minute to register. Many of our programs need a minimum number of participants to run, so a program may be cancelled if there are not enough registrants. Minimum number must be reached at least one week prior to the start of the program. Please note, Winter registration is open, Spring and Summer registration will begin February 1 for Lower Merion Residents (February 15 for Non-Residents).

CANCELLATION, REGISTRATION AND REFUND POLICY

Please review the policies on-line prior to registering for a program.

PHOTO POLICY

On occasion, we may take photos or video of individuals enrolled in programs or using Township facilities. Please be aware that these images are for Township use and may be used in future promotional materials.

New program idea? Let us know! We are always looking for new programs to offer our residents. Email recreation@lowermerion.org or give us a call 610.645.6220.
What is health care if it's not human?

At Main Line Health, you're more than a patient; you're our neighbor. Which makes treating you the most honorable thing we'll ever do.

Be seen.

CHESS CLUB Ages 4 – 14 Years
Knights, captures, action! Whether you are new to the game, learning to push pawns for the first time, or have played in numerous tournaments, and want to sharpen your skills, come to a Shining Knights Chess Club! We have trained numerous state champions and national trophy winner. We have trained even more kids to enjoy the game that they can spend hours playing with friends and family. So, whether you want to win games in your living room against your parents or win tournaments in other states, come join us and learn how to play chess or play better chess! More information can be found at www.shiningknightschess.com
Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

ENGINEERING FOR KIDS
At Engineering for Kids we believe that children are natural born engineers who have unlimited imagination and unbridled enthusiasm. We offer fun, hands-on learning for children ages 4 to 12. Our activities range from building flashlights and rockets to programming video games and robots. The variety of programming is extraordinary!
Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Weekend Workshops – Jr Electronic Game Design: Space Ages 4 – 7
Embark on fun journey to space with Scratch! Send an astronaut to the moon and defend your moon base from space rocks. Learn how to use Scratch to create and program sprites, backdrops and basic scripts. Create a new program each day, leave with evidence of your wild space adventure, and be inspired to explore the universe of programming as a Space Pioneer.
Day/Time: Sundays 1:00 – 2:30pm
Winter Session: January 12, 19, 26, February 2 (4)
Fee: Resident/$120 Non-Resident/$140

Weekend Workshops – Jr Environmental Engineering Ages 4 – 7
Are you ready to get down and dirty searching for solutions to some of our biggest environmental problems? In Junior Environmental, students ponder some truly “hot” environmental issues. Students in this class save endangered animals, help plants grow and create protection from the sun’s heat. By investigating natural process like erosion, animal adaptations, and plant growth; we discover ways that we as engineers can be inspired by the world around us to take on all sorts of challenges.
Day/Time: Saturdays 10:30 – Noon
Winter 2 Session: February 22, 29, March 7,14 (4)
Fee: Resident/$120 Non-Resident/$140
UPCOMING TRAININGS/WORKSHOPS

KNOW YOUR MEDICARE OPTIONS – INFORMATIONAL WORKSHOP

This seminar is suitable for those individuals that need to make decisions for open-enrollment period, want information to be prepared when the time comes or for those making decisions for loved ones. This 90-minute workshop will guide you in making the right choice when planning for Medicare and Medicare Advantage decisions. Presented by Steve Perlman, Independent Medicare Planning Specialist with DelVal Senior Advisors. During this free seminar you will learn:

• How Medicare works and what it covers.
• How Part “D” prescription cards work and how to pick the right one for you.
• The differences between Medicare supplements and Medicare Advantage plans.

Location: Ludington Library Auditorium, 5 S. Bryn Mawr Ave, Bryn Mawr

Workshop: February 6 May 7 August 6 November 5

Session Fee: FREE (Registration is NOT required, but encouraged. First come, first serve seating.)

WINTER PROGRAMS

Weekend Workshops – App Environmental Engineering Ages 8 – 12

During the Environmental Engineering classes, students use the Engineering Design Process to design, create, test, and refine basic solutions related to alternative energy and environmental issues. They learn principles behind crafting efficient wind-powered machines and discover how those machines can be used to help reduce the use of fossil fuels. During the culminating project, students test different materials to discover which ones most effectively clean up after an oil spill.

Day/Time: Saturdays 12:30 – 2:30pm

Winter 2 Session: February 22, 29, March 7, 14 (4)

Fee: Resident/$160 Non-Resident/$180

YOUNG REMBRANDTS Under New Management! Brand New Lessons!

Our innovative, step-by-step curriculum and engaging subject matter will show your child that drawing can be fun and interesting! During our classes, we teach skills that will help them grow, develop and excel while your child creates memories that will last a lifetime. Your child will enjoy ALL NEW LESSONS each week!

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Drawing and Cartooning Winter 1

Start 2020 off with a bang! Young Rembrandts students will flex their creative muscle as they take on artistic challenges like our Winter Birdhouses and Snowy Snowboarder lesson in January. In February, students will master perspective and personality as they complete a challenging Palm Tree Scene, cute Penguins and their own version of Grant Wood’s American Gothic. Your child is sure to be giggling all season long as they explore the fun, artistic world of Young Rembrandts cartooning! Funny expressions and hilarious animals are just a few pieces students will create in the months of January and February. All supplies included.

Day/Time: Saturdays 10:00 – 11:00am

Dates: January 11 – February 15 (6)

Session Fee: Resident/$96 Non-Resident/$120

Parent and Child Pastel Class Winter 1: Animals of Africa

Students and parents/caregivers will find themselves captivated by exotic African beasts. Our “Animals of Africa” Pastel Drawing Workshop offers challenging lessons- an antelope showcased within a meandering pattern of patterns, a stylized zebra with a creative color palette and a regal lion. Participants will learn about some of Africa’s most majestic animals as they illustrate them using pastel chalks. One adult per student may join the class each week (it can be a different adult every week if mom/dad/grandma want to try our classes). No experience is necessary. Please wear an old shirt or smock to each day of class. All supplies included. Each drawing may be completed over the course of 2 sessions depending on difficulty.

Day/Time: Saturdays 11:15am – 12:45pm

Dates: January 11 – February 15 (6)

Session Fee: Resident/$150 Non-Resident/$170

Drawing and Cartooning Winter 2

Get ready for a mix of elegance and graphic style drawings as Young Rembrandts students complete a Graceful Swan and Line Art Owl. Our March lessons are sure to delight kids and parents when students complete Goofy Chefs and our hilarious Cartoon Dads. There’s no better way to shake the winter blues. All supplies included. Sign up today!

Day/Time: Saturdays 10:00 – 11:00am

Dates: February 29 – April 4 (6)

Session Fee: Resident/$96 Non-Resident/$120

Parent and Child Pastel Class Winter 2: Colorful Critters

Animal lovers rejoice; an all new - all pastel workshop is here! Students will learn pastel drawing and texturing techniques to illustrate whimsical bees, a fanciful army of frogs, a striking owl and more artistic critters filled with detail. Challenge your creative kids by introducing them to the world of pastels- enroll them now! One adult per student may join the class each week (it can be a different adult every week if mom/dad/grandma want to try our classes). No experience is necessary. Please wear an old shirt or smock to each day of class. All supplies included. Each drawing may be completed over the course of 2 sessions depending on difficulty.

Day/Time: Saturdays 11:15am – 12:45pm

Dates: February 29 – April 4 (6)

Session Fee: Resident/$150 Non-Resident/$170

Fee Per Session: Resident/$35 Non-Resident/$45

HAPPYFEET Ages 2 – 5 Years
HappyFeet classes are a fun approach to ensuring your child has an absolute blast while developing elite physical skills and self-concept. The HappyFeet curriculum is designed to gradually develop ever more advanced physical skills and self-belief. To make sure every child has a positive experience, HappyFeet classes are non-competitive. We use fun techniques to develop muscle memory towards the training of dynamic dribbling and shooting skills. To register or for further classes, please visit www.happyfeetphilly.com. Group Limit: 15 participants

HappyFeet Little Toes (Ages 2 – 3.5)
This is strictly an introduction to the game of soccer. Our goal in this age category is to develop the gross motor movements that will enhance balance and coordination while also beginning to develop the muscle memory for kicking a soccer ball. This class is 30 minutes long and is parent friendly (mom/dad & me). We strive to help your child begin their independence away from you (the parent) when they join our coaches as they sing, laugh, and take Bob on different adventures.

Spring Session 1: Fridays 11:00 – 11:30am April 10 – May 22 (7) South Ardmore Park
Spring Session 2: Sundays 11:00 – 11:30am April 5 – May 24 (7) No class 4/12 South Ardmore Park

Fee: Per Session: Resident/$99 Non-Resident/$109

YOUNG SPORTS Boys and Girls Ages 3 – 6
Founded locally in 2007, these award-winning programs emphasize and inspire fun and at the same time, develop a child’s gross motor activity through highly engaging activities. Our #1 goal is to give children a happy and healthy start in athletics! Participants will have the opportunity to experience Football, Baseball, Lacrosse, Soccer and “Goody Games”. For more information, please visit www.youngsports.com

Location: Gladwyne Park

Spring Session 1: April 5 – May 17 (6) No Class 4/12 Day/Times: 9:30 – 10:15am

 Session Fee: Resident/$105 Non-Resident/$125 Group Limit: 24 participants

ENGINEERING FOR KIDS
All engineering for kids believe that children are natural born engineers who have unlimited imaginations and unbridled enthusiasm. We offer fun, hands-on learning for children ages 4 to 12. Our activities range from building flashlights and rockets to programming video games and robots. The variety of programming is extraordinary! Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Weekend Workshops Jr Chemical Engineering: Crazy Concoctions Ages 4 – 7 Years
The Jr Industrial classes introduce our youngest engineers to fundamental concepts of solids, liquids, and solutions. Students investigate the properties of several crazy concoctions and make their own samples of bubbles, play dough, flub, and more.

Day/Times: Saturdays 1:00 – 2:30pm

Spring Session 4: April 15, 19, 26, May 3 (4) No Class on 4/12

 Session Fee: Resident/$120 Non-Resident/$140 Group Limit: 16 participants

Weekend Workshops Apprentice Chemical Engineering: Mix it Up Ages 8 – 12 Years
During the Chemical Engineering classes, students use the Engineering Design Process to design, create, test, and refine efficient systems for production. Students explore foundational concepts of industrial engineering such as: assembly lines, safety, stamping, sorting and distributing materials. Students see just how fun and creative industrial engineering can be as they create their own ice cream factory and 3-D copies of design.

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Spring Session 1: Saturdays 10:30am – Noon
Spring Session 2: May 2, 9, 16 and 23 (4)

 Session Fee: Resident/$120 Non-Resident/$140 Group Limit: 16 participants

Weekend Workshops Apprentice Industrial Engineering: A-Line Production Ages 8 – 12 Years
During the Industrial Engineering classes, students use the Engineering Design Process to design, create, test, and refine efficient systems for production. Students explore foundational concepts of industrial engineering such as: assembly lines, safety, stamping, sorting and distributing materials. Students see just how fun and creative industrial engineering can be as they create their own ice cream factory and 3-D copies of design.

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Spring Session 1: Saturdays 12:30 – 2:30pm
Spring Session 2: May 2, 9, 16 and 23 (4)

 Session Fee: Resident/$160 Non-Resident/$180 Group Limit: 16 participants

CHESS CLUB Ages 4 – 14 Years
Learn how to play chess from a Shining Knights chess coach! Our coaches are professional instructors and have taught thousands of children to play chess. Class time is evenly split between lesson and play. Lessons range from learning the rules to advanced tournament strategies. Play time is structured to pair each student against an opponent of similar skill and appropriate manner.

More information can be found at www.shiningknightschess.com

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

Day/Times: Tuesdays 5:30 – 6:30pm
SPRING PROGRAMS

Spring Session: March 24 – June 2 (10) No Class 4/28
Session Fee: Resident/$140  Non-Resident/$168  Group Limit: 30 Students

SPRING BREAK CHESS CAMP April 6 – 9  No Class April 10  Ages 5 – 14 Years
Spend the week playing and learning about chess from the Shining Knights chess coaches! Campers are assigned to groups by skill level, and classes are tailored to appeal to total beginners through experienced and highly-rated tournament players. Activities include learning openings, tactics and endgames, studying master games, playing games against fellow students and analyzing the students’ games. Campers will take short breaks for snacks and fresh air every hour and full-day campers have lunch and recess from Noon – 1:00pm. More information can be found at www.shiningknightschess.com

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue
Full Day: 9:00am – 4:00pm  PM Half Day: 9:00am – Noon PM  Half Day: 1:00 – 4:00pm
Fee: Half Day Resident/$155  Half Day Non-Resident/$187
Full Day Resident/$260  Full Day Non-Resident/$310

Location: Belmont Hills Community Center, 50 Ashland Avenue, Bala Cynwyd
Time: 9:00am – Noon
Fee: Resident/$140  Non-Resident/$150

YOUNG REMBRANDTS (Under New Management! Brand New Lessons!)  Our innovative, step-by-step curriculum and engaging subject matter will show your child that drawing can be fun and interesting! During our classes, we teach skills that will help them grow, develop and excel while your child creates memories that will last a lifetime. Your child will enjoy ALL NEW LESSONS each week!

Drawing and Cartooning
It’s spring time and that can mean only one thing: SPRINGTIME DRAWING WITH YOUNG REMBRANDTS! If your children are baseball fans, they will love our baseball still life lesson. Learning about warm colors and cool colors will be the focus as our artists draw a detailed exterior of a house. We’ll also learn about legendary artist Edward Hopper as we recreate one of his masterpieces. Popular pets will also see the cartoon treatment as they’re transformed into colorful characters. Then we will imagine ourselves traveling to far away worlds as we illustrate amazing alien beings. Finally, we’ll take an imaginary trip to Japan and learn about the artistry of the kimono. Sign up for classes today!

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue
Day/Time: Saturdays 10:00 – 11:00am
Spring Session: April 18 – June 6 (8)
Session Fee: Resident/$130  Non-Resident/$150

Parent and Child Pastel Class: Culinary Mischief
Our domestic critters are up to no good in this five-day pastel workshop! We’ll use pastels to create amazing, “can’t-believe-I-drew-this!” masterpieces. A mouse making soup, a dog eating the spaghetti and silly birds on cakes are some of the mischievously-delicious drawings students will create every day. Pastels are an amazing medium—that with good direction, can make an artist out of any rookie. You won’t believe the results from this fun-for-all, skill-enhancing workshop. No experience necessary. Please wear an old shirt or smock to class each day. Enroll now!

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue
Day/Time: Saturdays 11:15am – 12:45pm
Spring Session: April 18 – June 6 (8)
Session Fee: Resident/$200  Non-Resident/$225

TINKERGARTEN
Spring is a perfect time to incorporate outdoor, play-based learning in your family routine and build a family culture around making memorable fun and learning happen in nature together. Our 18-36 month old classes focus on helping young explorers make the most of their outdoor classroom and benefit from the opportunity to play with and learn from children of various ages. This allows both the oldest and youngest build a foundation in capacities including imagination, creativity, focus/self control, persistence, empathy and teamwork. Parents and caregivers also learn about how children develop and how outdoor play supports this process during class and through our emails and photos. As always, siblings are most welcome to come to class together. Our passionate, expert teachers are trained to adjust activities to meet children where they are developmentally and guide them in activities that are fun, memorable and designed for learning. To register or for more information, please visit www.tinkergarten.com

  - **Location:** General Wayne Park
  - **Fees:** Resident/$140 Non-Resident/$160

- **Basketball Clinic**
  - **Participants will learn and develop the fundamental skills for basketball through games and drills.**
  - **Date:** July 13 – 17
  - **Day/Time:** Monday – Friday 9:00am – 3:00pm
  - **Location:** Bala Gymnasium
  - **Fees:** Resident/$140 Non-Resident/$160

#### Special Recreation Afternoon Camp
**For Children with Special Needs**

Participants will spend the afternoon with Lower Merion Township staff, swimming at our Belmont Hills public pool (weather permitting). Transportation WILL NOT be provided at the end of camp. Parent pick up ONLY. In case of inclement weather, the program will be cancelled. There will be no refund or makeup for this program and any extreme cases of inclement weather (i.e. an entire week lost due to inclement weather) will be handled on an occurrence basis and a credit issued toward a future program.

- **For those families participating in Lower Merion ESY, after school transportation may be available.**
- **Please contact Lower Merion School District for more information.**
- **Location:** Belmont Hills Pool, 122 Mary Watersford Rd, Bala Cynwyd
- **Dates:** June 23 – July 30 No Program July 3
- **Days/Time:** Monday – Friday, 12:30 – 4:00pm
- **Ages:** 7 – 18 yrs
- **Fees:** Resident/$725 Non-Resident/$850

#### Young Sports Camps
**Boys and Girls**

Ages 3 – 6

Founded locally in 2007, these award-winning programs emphasize and inspire fun and at the same time, develop a child’s gross motor activity through highly engaging activities. Our #1 goal is to give children a healthy and healthy start in athletics. Participants will have the opportunity to experience Football, Baseball, Lacrosse, Soccer and “Goofy Games”. For Boys and Girls, Ages 3 – 6. Group Limit: 24 participants

- **For more information, please visit www.youngsports.com**
- **Location:** Ashbridge Park
- **Day/Time:** Thursdays 6:45 – 7:30pm
- **Session 1:** June 18 – July 23 (6)
- **Session Fee:** Resident/$105 Non-Resident/$125

#### Steel Soccer

Everything we do is designed to maximize the sporting potential of individual players, teams, clubs & coaches. We believe in thinking creatively so our passion for the game can directly benefit you and your community. Steel Soccer was formerly UK Elite Soccer. The name has changed but the Staff, Philosophy and Standards haven’t changed!

Steel Futures and Individual Development Soccer Clinic – Summer

**Ages:** 3 – 8 Years

A fun introduction for 3 – 8 year-olds to the world of soccer through activity based program. The emphasis is on a “Games Based” approach to coaching soccer within a fun learning environment. This program is designed to allow every child the chance for maximum development and enjoyment. Each child will enjoy learning the fundamentals of soccer, including individual ball skills, running with the ball, passing, controlling the ball, shooting and scoring.

- **Location:** South Ardmore Park – Lower Field
- **Day/Time:** Wednesdays 5:00 – 6:00pm
- **Session 1:** June 10 – July 22 (7)
- **Fees:** Resident/$105 Non-Resident/$115

Steel Futures Soccer Petite Camp – Ages 3 – 5 Years

The UK Petite Sports program has been designed to introduce young children to a variety of sports in a safe environment. All the games and sports will be activities to help balance, speed, agility, fast controlled movement, hand/eye and eye/foot coordination. All will be key factors in early development of children in sport, this will also improve their social interaction.

- **Location:** South Ardmore Park
- **Day/Time:** Monday – Friday 9:00 – 10:30am
- **Session 1:** June 8 – 12
- **Session 2:** June 15 – 19
- **Fees Per Session:** Resident/$125 Non-Resident/$135

Steel Soccer Community Soccer Camp – Ages 5 – 15 Years

This program provides a consistent path to improvement for 5 – 14 year olds. Each step is designed with the age, experience and ability of the player in mind. This program gives every player the chance to fully realize their potential. Each child will enjoy learning the fundamentals of soccer, including individual ball skills, running with the ball, passing, controlling the ball, shooting and scoring.

- **Location:** South Ardmore Park
- **Days/Time:** Monday – Friday
- **Ages/Time:** 5 – 14 yrs Half Day 9:00am – Noon 7 – 14 yrs Full Day 9:00am – 3:00pm
- **Session 1:** June 15 – 19 Session 4: August 17 – 21
- **Session 2:** June 22 – 26 Session 5: August 24 – 28
- **Session 3:** July 20 – 24 Session 6: August 31 – September 4
- **Fees Per Session:** Half Day Resident/$180 Non-Resident/$200 Full Day Resident/$240 Non-Resident/$260

#### Steel Sports Camps

Brought to you by Steel Soccer. Full day Sports camps. Each day will have a fun balance of instruction and play from games around the world, all instruction provided by qualified international sports coaches.

- **This week long camp features International Sports such as Volleyball, Touch Rugby, Cricket, Handball, Flag Football, Badminton and more.**
- **Days/Time:** Monday – Friday
- **Session 1:** July 6 – 10 McMoran Park
- **Session 2:** August 10 – 14 South Ardmore Park
- **Ages:** 5 – 14 yrs Half Day 9:00am – Noon 7 – 14 yrs Full Day 9:00am – 3:00pm
- **Fees:** Half Day Resident/$180 Non-Resident/$200 Full Day Resident/$240 Non-Resident/$260

#### Soccer Shots

Soccer Shots is the premier intro to soccer program in the United States teaching children soccer and character development through its innovative curriculum and imaginative games. Visit us at www.soccershots.org to learn more. Location: Ashbridge Park

- **Minis Ages 2 – 3 Years**
- **Soccer Shots Mini** is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active. (Parents accompany children on field)
- **Summer Session 1:** Mondays 5:10 – 5:45pm June 22 – July 27 (6)
- **Summer Session 2:** Saturdays 8:45 – 9:15am June 20 – August 1 (6) No Class 7/4
- **Summer Session 3:** Saturdays 9:20 – 9:50am June 20 – August 1 (6) No Class 7/4
- **Fees Per Session:** Resident/$99 Non-Resident/$119

- **Classic Ages 3 – 5 Years**
- **Soccer Shots Classic** utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.
- **Summer Session 1:** Mondays 5:50 – 6:30pm June 22 – July 27 (6)
- **Summer Session 2:** Saturdays 9:20 – 10:00am June 20 – August 1 (6) No Class 7/4
- **Summer Session 3:** Saturdays 10:05 – 10:45am June 20 – August 1 (6) No Class 7/4
- **Summer Session 4:** Saturdays 10:45 – 11:30am June 20 – August 1 (6) No Class 7/4
- **Fees Per Session:** Resident/$99 Non-Resident/$119

- **Premier Ages 5 – 7 Years**
- **Soccer Shots Premier** focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner.
- **Summer Session 1:** Saturdays 10:50 – 11:30am June 20 – August 1 (6) No Class 7/4
- **Summer Session 2:** Saturdays 10:50 – 11:30am June 20 – August 1 (6) No Class 7/4
- **Fees Per Session:** Resident/$99 Non-Resident/$119
SUMMER PROGRAMS

HAPPYFEET
HappyFeet classes are a fun approach to ensuring your child has an absolute blast while developing elite physical skills and self-concept. The HappyFeet curriculum is designed to gradually develop and advance physical skills and self-belief. To make sure every child has a positive experience, HappyFeet classes are non-competitive. We use fun techniques to develop muscle memory towards the training of dynamic dribbling and shooting skills. To register or for more information, please visit www.happyfeetphilly.com

HappyFeet Little Toes (Ages 2 – 5.5)
This is strictly an introduction to the game of soccer. Our goal in this age category is to develop the gross motor movements that will enhance balance and coordination while also beginning to develop the muscle movements for kicking a soccer ball. This class is 30 minutes long and is parent friendly (mom/dad & me). We strive to help your child begin their independence away from you (the parent) when they join our coaches as they sing, laugh, and take Bob on different adventures.

Summer Session 1: Tuesdays 6:00 – 6:30pm June 16 – July 28 (7 Ashbridge Park
Summer Session 2: Sundays 11:00 – 11:30am June 21 – August 9 (7) No Class 7/5 South Ardmore Park
Fee: Per Session Resident/$99 Non-Resident/$109 Group Limit: 18 participants

HappyFeet (Ages 3.5 – 5)
During this stage your child will flourish within our imagined based curriculum. Not only will they begin to develop excellent gross motor skills they will also begin to develop a healthy recognition of their own self-concept! Here our class time jumps to 1 hour as we allow time to introduce fun, non-competitive games along with our imagination based learning approach. During your child’s time with us at this stage they will begin to learn basic and advanced soccer moves with the ball. These moves are then incorporated into the stories and games that we play with your children to increase repetition without it ever feeling like practice!

Summer Session 1: Tuesdays 6:30 – 7:30pm June 16 – July 28 (7 Ashbridge Park
Summer Session 2: Sundays 9:00 – 10:00am June 21 – August 9 (7) No Class 7/5 South Ardmore Park
Summer Session 2: Sundays 10:00 – 11:00am June 21 – August 9 (7) No Class 7/5 South Ardmore Park
Fee: Per Session Resident/$139 Non-Resident/$150 Group Limit: 18 participants

DAVID BROIDA TENNIS

US SPORTS INSTITUTE
USA Sport Group brings together the finest providers of sports camps and classes for all ages and ability levels. For more information, please visit ussportsinstitute.com. All activities promote hand-eye coordination, movement, balance and most importantly FUN! Additional information can be found at www.ussportsinstitute.com. Location: McMoran Park

Multi Sports – Day Camp Boys and Girls Ages 5 – 12 Years
Players will have the opportunity to experience up to 4 different sports each day. Sports included: Baseball, Basketball, Cricket, Flag Football, Hockey, Handball, Lacrosse, Rugby and more!
Session 1: June 22 – 26 *Session 2: June 29 – July 2 (4 Day Session, Monday – Thursday)
Session 3: July 13 – 17 *Session 4: July 20 – July 31 (8 Day Session, Monday – Thursday)
Fee: Per Session Resident/$225 Non-Resident/$260 *Session 2 Resident/$180 Non-Resident/$200

Multi Sports – Half Day AM Camp
The Half-Day Multi-Sports Camp gives our younger participants the opportunity to experience over 15 sports in a week! Campers will receive technical instruction in each sport and will then experience the sport in a realistic game situation.
Times: 9:00am – 12:00pm
Fee: Per Session Resident/$195 Non-Resident/$230 *Session 2 Resident/$160 Non-Resident/$190

Multi Sports – Half Day PM Camp
The Half-Day Multi-Sports Camp gives our younger participants the opportunity to experience over 15 sports in a week! Campers will receive technical instruction in each sport and will then experience the sport in a realistic game situation.
Times: 1:00pm – 3:00pm
Fee: Per Session Resident/$175 Non-Resident/$210 *Session 2 Resident/$140 Non-Resident/$165

BRICKS 4 KIDZ
Bricks 4 Kidz, a leader in STEM (science, technology, engineering, and math) educational activities specializes in introducing children to advanced concepts in physics and engineering through hands-on play with LEGO bricks and technologies in after school enrichment programs, field trips and summer camps. For more information, please call 484-557-3092 or visit www.bricks4kidz.com/exton. For a current class schedule, please visit www.lowermerionrec.com

THEATRE HORIZON DRAMA CAMP Ages 7 – 11 Years
This action-packed drama camp is taught by Philadelphia theatre professionals. Young actors spend the week working as a team to create a play full of drama, comedy, suspense, mystery and action! They are guided through playwriting, fun improvisational games and acting exercises that encourage creativity and self-confidence. Students will also learn the basics of stagecraft, how to speak loudly and clearly, and how to work in teams and how to accept and respect others’ ideas. On the last day, they perform their world premiere play for an audience using props and costumes. Curtain up! Location: Bala Cynwyd Middle School, 510 Bryn Mawr Ave, Bala Cynwyd, PA 19004 (Location subject to change)
Days: Monday – Friday
Time: 9:00am – 3:00pm
Session 1: July 6 – 10 Session 4: July 27 – July 31 Session 2: July 13 – 17 Session 5: August 3 – August 7 Session 3: July 20 – July 24
Wear/Bring: A lunch, drink, and a snack, comfortable clothing and shoes (no skirts or flip-flops please!)
Fee Per Session: Resident/$175 Non-Resident/$205 Registration Limit: 22/session

HARRITON APPRENTICESHIP
Harriton’s Apprenticeship Summer Camp allows today’s youngsters to learn to care for sheep and chickens, a horse and to bottle feed calves. We’ll work with traditional tools in wood and iron & tour the historic house to learn about antique buildings and furniture. Sometimes we’ll run down and have lunch on the creel, and on the last day we have our big picnic! This program is run free of charge for township residents, though donations to Historic Harriton House are greatly appreciated. Your contribution will help assure the continuation of Harriton’s educational programs, and the preservation of the historic site.
Location: Harriton House, 500 Harriton Rd, Bryn Mawr
Session 1: July 20 – 24 Session 2: July 27 – July 31
Days/Times: Monday – Friday 9:30am – 2:30pm
Ages: 11 – 14 yrs
Fee: Per Session Resident/$135 Non-Resident/$145 NO REFUNDS. NO EXCEPTIONS.
Registration Limit: 20/session Participants only will be permitted to register for ONE Session.

KITCHEN WIZARDS Discover the magic of cooking, one bite at a time!
At Kitchen Wizards, we help kids and adults of all ages to discover the magic of cooking, one bite at a time, through our culinary enrichment programs! Kitchen Wizards is a division of Kathy’s Just Desserts, Inc. All campers will receive a chef’s hat (toque), apron, certificate of completion, and recipe booklet - as well as lots of food they help prepare! *Please note camp will run Monday, Tuesday and Thursday 9:00am – Noon (No camp Wednesday)
Location: Bala Cynwyd Community Center, 50 Ashland Avenue, Bala Cynwyd
Time: 9:00am – Noon
Fee: Per Session Resident/$140 Non-Resident/$150

August 3, 4 and 6 Sweeties for Sweeties Ages 5 – 9 Years
Little ones begin often begin their interest in the culinary arts by making desserts. In this camp, your chef-in-training will become more comfortable working in the kitchen - and learn to prepare lots of sweet treats!

August 10, 11 and 13 Deserts From Around the World Ages 9 – 13 Years
Children can learn to think globally in the tastiest way imaginable! We’ll prepare sweets from many countries - and kids will learn what passes for dessert for children around the globe. We’ll also locate these countries on a world map and talk about some interesting facts about them.

August 17, 18 and 20 Chocolate, Chocolate, and MORE Chocolate Ages 7 – 11 Years
Children will spend the week making everything chocolate - cupcakes, candles, cookies, and many other desserts where chocolate is the main ingredient. Lots of samples to come home and share with the family.

CHESS CLUB Ages 4 – 14
Learn how to play chess from a Shining Knights chess coach! Our coaches are professional instructors and have taught thousands of children to play chess. Class time is evenly split between lesson and play. Lessons range from learning the rules to advanced tournament strategies. Play time is structured to pair each student against an opponent of similar skill. All chess supplies provided. Group Limit: 30 Students More information can be found at www.shiningknightschess.com

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue
Day/Time: Tuesdays 5:30 – 6:30pm
Summer Session: June 23 – August 25 (10)
Fee: Per Session Resident/$150 Non-Resident/$175

CHESS CAMP
Spend the week playing and learning about chess from the Shining Knights chess coaches! Campers are assigned to groups by skill level, and classes are tailored to appeal to total beginners through experienced and highly-rated tournament players. Activities include learning openings, tactics and endgames, study-
ING our innovative, step-by-step curriculum and engaging subject matter will show your child that drawing can be fun and interesting! During our classes, we teach skills that will help them grow, develop and excel while your child creates memories that will last a lifetime.

**Session 1**

**June 22 – 26**

Session 1: *PM Session Fantasy Forest Workshop*

**FULL DAY AND HALF DAY OPTION**

**Ages:** 5 – 12 yrs

**FULL DAY Session:** 9:00am – 3:30pm  **AM Session:** 9:00am – Noon  **FULL Day Session:** 9:00am – Noon PM Session: 12:30 – 3:30pm

*Sign up for both AM and PM Sessions and lunch time care (Noon – 12:30pm) is included.*

**Fee**

**YEINT S**

**Youth Rembrandts**

Calling all artists, scientists, engineers, and math lovers! Young Rembrandts has a new workshop filled with new ways your child can explore the fascinating world of STEAM! This five-day workshop will dive into a new discipline every day so that all children learn their possibilities. Students will illustrate different types of renewable energy, incredible feats of Engineering and striking Math principles - all while creating crazy awesome Art. Your child’s brain is growing every day! We can’t wait to get started!

**Session 1**

**June 22 – 26**

**AM Session:** STEAM*Up Summer

Calling all artists, scientists, engineers, and math lovers! Young Rembrandts has a new workshop filled with new ways your child can explore the fascinating world of STEAM! This five-day workshop will dive into a new discipline every day so that all children learn their possibilities. Students will illustrate different types of renewable energy, incredible feats of Engineering and striking Math principles - all while creating crazy awesome Art. Your child’s brain is growing every day! We can’t wait to get started!

**Session 2**

**June 29 – July 3**

**AM Session Learn Anime Manga Drawing**

Calling all otaku kids! Join the Anime Manga workshop and learn to draw your favorite Japanese style art. This five-day workshop will tap into everyone’s imagination while learning to draw cute manga inspired characters, accessories and costumes. Your child’s talent is about to take off - register now to save your child’s spot in this kawaii workshop focused on technique and creativity!

**Session 3**

**July 7 – 11**

**AM Session Cartoon Adventures in Space**

Join Young Rembrandts as we travel to the farthest reaches of the galaxy in our Cartoon Adventures in Space workshop. Futuristic scenes of other worldly adventures highlight the spectacular drawings our students will produce. We will join our own colorful cast of cartoon characters, like Sketch the mouse, Shade the cat and Dave the elephant. Not only will our students learn to how to illustrate science fiction-inspired characters and moments, but they will also strengthen their drawing and coloring skills. From astronauts in jettapks to out-of-this-world alien lifeforms, our students will learn to compose well-drawn cartoon figures in dynamic poses. Get ready for five days of exciting, intergalactic imagery!

**Session 4**

**August 1 – 5**

**AM Session Learn Anime Manga Drawing**

Calling all otaku kids! Join the Anime Manga workshop and learn to draw your favorite Japanese style art. This five-day workshop will tap into everyone’s imagination while learning to draw cute manga inspired characters, accessories and costumes. Your child’s talent is about to take off - register now to save your child’s spot in this kawaii workshop focused on technique and creativity!

**MAD SCIENCE CAMP**

**Mission:** “We aim to spark the imagination and curiosity of children everywhere by providing them with fun, entertaining and educational activities that instill a clear understanding of what science is really about and how it affects the world around us.”

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue

**FULL DAY and HALF DAY OPTION**

**Full Day Fee:** 9:00am – 4:00pm  **Resident/$300 Non-Resident/$350**

*Lunch from Noon – 12:30pm – Please send with a packed lunch

**Half Day Fee:** 9:00am – Noon  **Resident/$75 Non-Resident/$220**

**Group Limit:** 20 Students  **Ages:** 6 – 12 yrs

**Session 1**

**July 6 – 10**

**Secret Agent Lab!**

Look out 007! The Mad Science Secret Agent Lab is in session! From decoding messages to experimenting with metal detectors and night vision, children will have the opportunity to check out spy equipment and step into the shoes of a detective! Children will uncover the science involved in gathering and analyzing evidence and the technology behind locks, surveillance systems and alarms. To test the limits of magnified observation, junior science sleuths will build their own binoculars and develop ways to work together to refine their observation skills. Campers will use what they have learned as they find, collect, and analyze evidence and connect the dots to solve a simulated crime scene! Mad Science Spy Camp is 00-Awesome!

**Session 2**

**July 20 – 24**

**Brigolix & Jr. Engineers**

Using LEGO bricks designed exclusively for Mad Science, junior engineers learn to put up constructs from projects. From carnival rides to drawing machines, mechanical animals to truss bridges to space stations, you’ve got to check this out! Engineering Design Challenges include building a space sail, bubble head, and glider car. Try your hand at aerospace, nautical, biomechanical, and even structural engineering! Stay for the afternoon session and our Jr. Mad Science Engineers will design and build skyscrapers using simple tools and intricate imaginations. Exercise your ability to work together in order to construct a geodesic dome big enough for all of the campers to fit inside! Work with pulleys, wedges, screws, and levers & assemble your own catapults! Maneuver robots around an obstacle course, play robot soccer, and even test line-tracking robots. Brag about your team’s creativity with a full day of hands-on engineering! Lego Engineering & Tinkering begin!

**Session 3**

**August 10 – 14**

**Crazy Chemistry & Rocking Rockets**

Hop on board the Chemistry Express for a high-speed Science Experience. Classes are filled with experiments that fizzle, tingle and mystify your minds! Children will investigate Smoking Potions, Radical Laboratorys and So Much More!! Mad Science brings awe-inspiring experiments paired with thought-provoking detective work to campers, nurturing scientific interests and evoking fascination. Children will learn about chemical reactions as they grow crystals, create sidewalk chalk from scratch, and design chromatography Head Bands and so much more! Stay for the full day for our outer space experience to expand a passion for our sensational solar system. Campers will investigate the mechanics of unique flying machines, such as balloon-copters, boomerangs, and more! Children will be transported to the past as they delve into how early “pilots” navigated throughout space as they create their own sextant and sundial. Building upon previous experiments and knowledge learned throughout the week, campers will use what they’ve learned to construct a model rocket and have the option of participating in a live launch demonstration. This Camp is a total BLAST!

**ENGINEERING FOR KIDS**

At Engineering For Kids we believe that children are natural born engineers who have unlimited imaginations and unbridled enthusiasm. We offer fun, hands-on learning for children ages 4 to 12. Our activities range from building flashlights and rockets to programming video games and robots. The variety of programming is extraordinary! For more information, please visit engineeringforkids.com

**Session 1**

**June 29 – July 3**

**AM Session Jr Inventor’s Workshop Ages 4 – 7 Years**

We have opened up the workshop for a week of fun, creativity, and of course -- engineering! Over the course of a week, students will invent new machines and explore creative design solutions using the Engineering Design Process. Discover how a wind-up toy works and design your own drawing robot inside the Engineering For Kids Inventor’s Workshop.

**Session 2**

**June 29 – July 3**

**AM Session Engineering of Power and Energy Ages 8 – 12 Years**

In this camp students will explore electrical, environmental, marine, and mechanical engineering. They will explore harnessing energy, directional energy transformation, the relationships between potential energy and kinetic energy, and electrical circuitry.

**Session 3**

**July 9 – 13**

**AM Session LEGO Robotics: Robo Games Ages 8 – 12 Years**

**Group Limit:** 12 Participants

This Robotics: RoboGames curriculum is designed to introduce students to the world of not only building, but also programming basic robots. In this unit, students will design their robots to play games.

**Session 4**

**July 16 – 20**

**AM Session LEGO Robotics: Adventure Stories Ages 4 – 7 Years**

**Group Limit:** 12 Participants

This Robotics: Adventure Stories curriculum is designed to introduce students to the world of not only building, but also programming basic robots. In this unit, students will design their robots to play games.

**Session 5**

**July 23 – 27**

**AM Session LEGO Robotics: Adventure Olympiad Ages 8 – 12 Years**

**Group Limit:** 12 Participants

This Robotics: Olympiad curriculum is designed to introduce students to the world of not only building, but also programming basic robots. In this unit, students will design their robots to play games.

**Session 6**

**July 30 – August 3**

**AM Session LEGO Robotics: Space Exploration Ages 8 – 12 Years**

**Group Limit:** 12 Participants

This Robotics: Space Exploration curriculum is designed to introduce students to the world of not only building, but also programming basic robots. In this unit, students will design their robots to play games.
from the ground up. From roads and tunnels to buildings and skyscrapers, students discover that no job’s too tough for an Engineering for Kids engineer!

**July 27 – 31 AM Session** App Medieval Mayhem Ages 8 – 12 Years

In medieval times, there were a huge number of engineering innovations. Crossbows, drawbridges, towers, cranes, the compass, and more were invented during those times. The lands then were ruled by feudal courts in a castle, with each castle having a great deal of land around it that was ruled by the lords and ladies of the castle. Because owning land meant more power, many lords and ladies went to battle with other lords and ladies, trying to take their castle and control their land. This led to many incredible devices being engineered, such as catapults. Students will be split into groups forming their own feudal court of lords and ladies. They will try to beat out the other teams in various challenges to show their prowess and be crowned kings and queens of the land with the Engineering for Kids Crown.

**July 27 – 31 PM Session** App Engineering of Adventurers Ages 8 – 12 Years

Welcome to Engineering of Adventurers! Students in this five-day camp will find themselves stranded on an abandoned island filled with perilous obstacles–dark caves, wild animals, cold temperatures, little food, and separation from the comforts of home. They will work collaboratively with their tribe members to compete against other tribes in specific engineering-related projects aimed at trying to survive the harsh island conditions and escape to their freedom. The tribe with the most points at the end of the week will claim the honor of Engineering of Adventurer.

**Aug 24 – 28 AM Session Jr Hardware Engineering: Scratch with Makey Makey Ages 4 – 7 Years**

When your favorite song comes on the radio do you sit quiet or do you dance around and play the air drum solo? In Musical Adventures With Scratch and Makey Makey, we are going to explore how different sounds are created and we will create our own interpretations of common musical instruments like drums, piano, guitar, and even a recorder, and we will create our very own dancing program, all through the use of Makey Makey and Scratch to bring our music to life! The last day will end with a bang, or at least a great mini concert from our students!

**Aug 24 – 28 AM Session Out of This World Ages 8 – 12 Years**

During Out of this World camp, students will explore three fields of engineering: aerospace, civil, and chemical. Collaborating with their Space State teams, they will design and construct a variety of projects that will enable mankind to safely inhabit the moon. Is mankind ready to inhabit the moon? With a little help from Engineering for Kids® students, humans will be prepared to take up residence by the end of the week! Students will collaborate with their Space State teams to create the safest and most effective community on the moon. Which team will earn enough Astro-Points to be declared the winner?

**Aug 24 – 28 PM Session Jr Aerospace Engineering: Taking to the Skies Ages 4 – 7 Years**

The Junior Aerospace Engineering classes introduce our youngest engineers to fundamental concepts of aircraft and spacecraft design. Through open and focused exploration, students explore and construct airplanes, rockets, helicopters, and more.

**Aug 24 – 28 PM Session Hardware Engineering: Digital Interface with Circuitry Ages 8 – 12 Years**

Imagine designing a piano using cellery or creating a custom digital training program. Now, envision playing video games using just your body, a bit of wire and your own imagination. In our hardware engineering program, students engineer their own customized video game controllers using a Makey Makey device and materials that can be found in just about any kitchen. Through application of circuitry, acoustical engineering and video game design, students discover new ways to interact with technology, all while creating unique designs in a fun collaborative environment.

**Aug 31 – Sep 4 AM Session Jr Camp Kelvin Ages 4 – 7 Years**

Pack your bags and lace up your hiking boots engineers, because at Camp Kelvin, we are engineering designs to help us explore the great outdoors. Build a tent, design waterproof clothing, engineer your own survival pack and more! Join us for a week of fun and adventure where everyone goes home a happy camper!

**Aug 31 – Sep 4 AM Session App Electronic Game Design: Hydrocrafts Ages 8 – 12 Years**

We build robots. Then we program them! Create your own robot with a DC motor. Learn how to program your robot to move forward, backward, turn left, turn right or dance! You get to use batteries and electronic components to create your own unique robot.

**Aug 31 – Sep 4 PM Session Jr Mechanical Engineering: Widgets, Gadgets & Toys Ages 4 – 7 Years**

The Junior Mechanical Engineering classes introduce our youngest engineers to fundamental concepts of energy, materials, and movement. Through open and focused exploration, students explore and construct their own roller coasters, catapults, cars, and more.

**Aug 31 – Sep 4 PM Session App 3D Printing: Minecraft Creations Ages 8 – 12 Years**

3D printing and Minecraft both represent boundless opportunity for creating even our wildest of ideas! In 3D Printing: Minecraft Creations, students will explore the basic concepts of 3D printing and computer-aided design, or CAD, to bring their most awesome Minecraft creation to life! Students will take their Minecraft design out of the world of Minecraft and learn how to extrude it into a 3D model that can then be modified to be printed in 3D.
LOWER MERION TOWNSHIP – POOL INFORMATION
The Department of Parks and Recreation operates two outdoor swimming pools.
• The Ardmore Pool is located behind the Community Center on Ardmore Ave in Ardmore—610.642.4338.
• The Belmont Hills Pool is located at 122 Mary Waters Ford Road in Bala Cynwyd—610.668.2411.
Separate memberships are required for each pool. Registration will begin March 1, 2020. Membership applications, fee tables and supporting information can be found at wwwLOWERmerionrec.com or at the Department of Parks and Recreation. Memberships must be purchased through the Department of Parks and Recreation, 73 E. Lancaster Avenue, Ardmore, before attending the pools. Memberships can be purchased on-line, via mail, or in person. The Pools will open on Saturday, May 23 (weekends only) and will open Monday, June 15, seven days a week for the regular summer season, closing on Labor Day, Monday, September 7 (Schedule subject to change). Pools are open weekdays, Noon to 8:00pm and weekends/holidays from 11:00am – 8:00pm. All new members must provide proof of Lower Merion residency. Photocopies of residency are acceptable. You may complete the membership process through the mail.

Morning Adult Swim at Belmont Hills Pool will be held from June 15 – August 7, 2020 every Monday through Friday from 8:00 – 9:00am (as operations allows) to members of either pool only. Tot Pool Hours at Belmont Hills Pool will be held from June 15 – August 7, 2020 every Monday through Friday beginning at 10:00am (as operations allows) to members of either pool only. Members will ONLY be permitted to use the Tot Pool.

The Annual Cardboard Boat Regatta will be held Sunday, August 2 (rain or shine) beginning at 3:00pm. The lap pool will be CLOSED for this event, but will re-open once event is complete.

INSTRUCTIONAL SWIM LESSONS
All classes are conducted in accordance with American Red Cross standards. You must be a resident of the Township of Lower Merion or a current Pool Member to register for lessons.
Days: Monday – Friday
Fee per Session: Resident/$70 Non-Resident/$80
Schedules are subject to change based on registration
Class Descriptions
• Aqua Tot – Infant to approximately age 4. Will need an adult in the water. Five tots with adults per class.
• Beginner 1 – Non-swimmer of any age. Up to six participants per class.
• Beginner 2 – Swimmers who want to improve their stroke. Up to six participants per class.
• Advanced Beginner – Swimmers that can swim one length of the pool. Up to six participants per class.
• Intermediate – A good swimmer working on stroke and endurance. Up to six participants per class.

Instructional Swim Program – Belmont Hills
Pre-registration is required. Registration processed at Belmont Hills Pool ONLY.
Session 1 June 15 – 26 Registration begins Noon on June 6 (Weekends Only)
Session 2 June 29 – July 10 Registration begins 8:00am on June 22
Session 3 July 13 – 24 Registration begins 8:00am on July 6
Session 4 July 27 – August 7 Registration begins 8:00am on July 20
Schedule: (Subject to change based on Registration)
8:30 – 9:00am Beginner 1, Beginner 2, Beginner 2, Advanced Beginner 2, Beginner 2
9:15 – 9:45am Beginner 1, Beginner 1, Beginner 2, Beginner 2, Intermediate
10:00 – 10:30am Beginner 1, Beginner 1, Beginner 2, Beginner 2, Aqua Tot
10:45 – 11:15am Beginner 1, Beginner 1, Beginner 2, Beginner 2, Aqua Tot

Instructional Swim Program – Ardmore Ave
Pre-registration is required. Registration processed at Ardmore Pool ONLY.
Session 1 June 29 – July 10 Registration begins 8:00am on June 22
Session 2 July 13 – 24 Registration begins 8:00am on July 6
Session 3 July 27 – August 7 Registration begins 8:00am on July 20
Schedule: (Subject to change based on Registration)
8:30 – 9:00am Beginner 1, Beginner 1, Beginner 2
9:15 – 9:45am Beginner 1, Beginner 2
10:00 – 10:30am Beginner 1, Advanced Beginner

DISCOUNT TICKETS FOR LOCAL AMUSEMENT PARKS AND ATTRACTIONS
Please check wwwLOWERmerionrec.com for the complete price list! What you need to know:
• Tickets are non-refundable.
• We accept Cash, Check or Credit Card (fees apply) as payment.
• Tickets can be used any time during the 2020 season.
• Tickets are sold from May through September 2020.
• These are tickets, not discount vouchers
• Call ahead for availability 610.645.6220
• Prices are subject to change.

ROBES’ SENIOR JAMBOREE All Senior Citizens are invited to attend the 39th Annual Senior Jambo-ree. This event is free of charge! Lunch in the Park with entertainment and giveaways from our generous sponsors. This event has been enjoyed by many throughout the years.
Date: Wednesday, July 8 (Rain date is Thursday, July 9)
Time: 11:00am – 2:00pm Location: South Ardmore Park

FLAT ROCK PARK BOATING FACILITIES
• Township-owned boating facilities are provided at Flat Rock Park. The general public is permitted use of these facilities provided appropriate permits are obtained.
• There is no fee to obtain a permit.
• All Boat Trailers are required to obtain a permit to park at the Flat Rock Park Boating Facility.
• The boating facilities are available for use by motorized and non-motorized boats, including canoes and kayaks.
• The recreational boating season is year round, but floating docks will only be in the water from approximately April 1 to November 15.
• The hours of Flat Rock Park are from Dawn until Dusk.

Boat Trailer Parking Permit
To apply for a Trailer Parking Permit, individuals must complete a Boat Trailer Parking Permit Application. Permit application forms can be found on the Township web site at wwwLOWERmerionrec.com or the recreation website at wwwLOWERmerionrec.com. Applications can be submitted via mail, in person, or on-line. Please visit either website for more details.

ARDMORE AVENUE COMMUNITY CENTER
122 Ardmore Ave., Ardmore Hours of Operation
Phone Number: (610) 896-7256 Monday – Friday: 9:00am – 5:00pm
Director: Linda Jackson Monday – Friday: 9:00am – 5:00pm
Program Coordinator: Larry Scovens Monday – Friday: 9:00am – 5:00pm
Program Assistant: Crystal Uter

RIVERBEND
Riverbend offers programs for the community that help to motivate and educate the next generation to care for our natural world. Parents may be interested in Riverbend’s Summer Exploration Camp and Year-Round Camp offered on school holidays. In addition, they offer weekend family programs through-out the year. The 30-acre preserve is open to the public at no cost from dawn to dusk every day of the year. For more information, please visit www.riverbendec.org or call 610.527.5234.

LOWER MERION CONSERVANCY
The Lower Merion Conservancy invites you to come with us to explore the nature and history of Lower Merion in new and fun ways in a very exciting place: our outdoor classroom full of native Pennsylvania streams, forests and meadows.

PROGRAM PROVIDERS
Lower Merion has a number of groups that offer various recreational opportunities for leagues and other activities. Visit our website to view and or print a table of Program Providers with their contact information. Each group conducts their own registration during different times of the year. Please contact them directly if you are interested in any additional information.

What is health care if it’s not human?

At Main Line Health, you’re more than a patient; you’re our neighbor. Which makes treating you the most honorable thing we’ll ever do.

Be seen.
