

INSTRUCTIONS FOR NAVIGATING BUDGET PDF FILES

> Bookmarks for all sections and pertinent information found in the table of contents are provided in the navigation pane on the left once the document is opened as an Adobe PDF. Click on any bookmark to jump directly to that section or page.

- If the bookmark navigation pane is not showing, then click on the bookmark icon shown below to open the bookmark navigation pane

- If a "+" sign is at the left of a bookmark, click on the "+" to bring up subheadings.
